The fabric care products that are part of the Fabric APW includes a 250mL Fabric Spot Cleaner, 250mL Fabric Deodoriser, application cloth and the APW. Every reasonable precaution should be taken to avoid accidental stains or damage.
3. The use of any other cleaner, protector and/or care products on the furniture other than those comprising these Care Systems will immediately invalidate the APW. It should be noted that the Leather Care System is suitable for finished leathers only, and is not suitable for nubuck, suede and other unfinished leathers and should NOT be used on them. The Leather Care System for unfinished aniline leather, along with additional care products for the ongoing care of other unfinished leather and other furniture types, are available from our retail partners or by calling Care Cover on 1300 453 284 (Australia); 0800 080 039 (New Zealand).
4. Care Cover Pty Ltd reserve the right to update these terms and conditions from time to time. The most current terms and conditions are available on our website at www.carecoveraustralia.com.au
5. Care Cover Accident Product Warranty (APW)

Care Cover Pty Ltd's APWs are divided into two categories that are available for purchase. They are:

- A Domestic Accident Product Warranty (D-APW). The Domestic Accident Product Warranty (D-APW) is applicable for the personal use of furniture/items in a domestic situation.
- A Commercial Accident Product Warranty (C-APW). The Commercial Accident Product Warranty (C-APW) is applicable for non-personal use such as in an office, workplace, rental property, rental companies and other commercial situations.

Refer to your product packaging for information on which APW is applicable to you:

Domestic Accident Product Warranty (D-APW)

a) 5 year Domestic Product Warranty (D-APW) - This plan is valid only for the original purchaser. Care Cover Pty Ltd will, at its discretion, clean, repair or replace the part of the furniture that is accidentally damaged or stained within 5 years of the warranty date, in accordance with the Terms and Conditions.

Commercial Accident Protection Plan (C-APW)

a) 3 Year Commercial Product Warranties (C-APW) - This plan is valid only for the original purchaser or entity. Care Cover Pty Ltd will, at its discretion, clean or repair the part of the furniture that is accidentally damaged or stained within 3 years of the Warranty date, in accordance with the Terms and Conditions.

6. Product Warranty Inclusions - What is covered:

Domestic (D-APW) & Commercial (C-APW) Product Warranties cover:

Accidental Stains:

- Drinks and Food

- Ballpoint Pens, Markers and Crayons
- Nail Polish, Lipstick and Cosmetics
- Blood
- Acids, Bleach and Corrosive Marks
- Waxes, Glues and Paint
- Chewing Gum
- Human Bodily Fluids

Accidental Damage:

- Scratches
- Rips
- Scuffs
- Burns
- Pet damage one incident only (surface covering only, not available for C-APW)

Pet damage: There is a duty of care by you as the owner to ensure your pet does not damage your furniture. Damage includes clawing, scratching and chewing furniture and/or stains caused by pet bodily fluids. This Warranty will provide a repair for pet damage for one incident only and to one limited area of your furniture on the surface covering only (not available to commercial customers under the C-APW).

7. If any accidental damage or stain should occur, you should quickly attend to it by following the instructions on the care product labels.

Stains: Are those marks that cannot be removed by using the care products provided. In the event of an incident causing mark/s, the mark/s should be cleaned in accordance with the instructions provided on the Care Cover product. A claim should only be lodged when the mark/s cannot be removed by following the directions on the Care Cover products provided. When spot cleaning, care must be taken to prevent water marks from developing. Water marks are not covered under the Care Cover APW.

Water Marks: A Water Mark is the term given to describe the dark ring that sometimes forms around the area that was made wet on a fabric after it has attempted to be cleaned. It is usually a result of a build-up of grime within the fabric that has been carried by the water or cleaning liquid as it spreads out from the point of application. To avoid this, the furniture/item should be periodically professionally cleaned so that there is no grime in the fabric to form a watermark.

When spot cleaning, spray an even mist of cleaning fluid onto a clean microfibre cloth. Using the moistened microfibre cloth, lightly dab out the mark, over and to the outer edges of the affected area. Then gently dab and twist motion over the same area with a clean cloth, eliminating the hard divide between the wet and the dry parts of the fabric.

For further assistance on this process, contact Care Cover Pty Ltd's customer service centre on 1300 453 284 (Australia); 0800 080 039 (New Zealand) or visit www.carecoveraustralia.com.au.

8. If using the care products cannot resolve an issue, you must submit a completed claim form (to Care Cover) detailing any accidental stain or damage, within five (5) business days of it occurring. A claim can be made via the Care Cover website – www.carecoveraustralia.com.au. You will be required to complete and return a claim form with photos of the damage or stain. This information is necessary for all claims and a claim cannot be processed without it. If you require assistance with submitting a claim, contact Care Cover customer service on 1300 453 284 (Australia); 08 0008 0039 (New Zealand).

9. If a stain cannot be removed or the furniture surface is damaged, Care Cover Pty Ltd will provide an authorised representative to clean or repair the damaged area of the furniture/item at no cost to you. Should the stain or damage not be repairable, Care Cover Pty Ltd will, at its discretion, arrange for the stained or damaged area to be replaced at no cost and the APW terms and conditions will continue for the duration of the plan. In some geographical areas, claims may take longer to process than normal.

10. If there is no access to an authorised representative within a reasonable distance (100km) of the customer's location, the furniture will need to be transported to the closest authorised representative at the customer's cost. Please call the Care Cover Pty Ltd customer service team on 1300 453 284 (Australia); 08 0008 0039 (New Zealand) to arrange a solution for this situation.

11. Care Cover will pay for the transportation of the damaged item within 100km to the nearest authorised representative. For distances over 100km from the nearest authorised representative, the customer is responsible for the cost of either the authorised representative's travel or the transportation of the damaged furniture, whichever is Care Cover's preferred option.

12. If the stain or damage cannot be removed or repaired to a reasonable standard, Care Cover Pty Ltd reserves the right, at its sole discretion, to do any one of the

following:

- a) Obtain original or similar leather or fabric, to replace the damaged area, with no guarantee of an exact colour match due to dye lot variation, but will provide the closest possible match of materials, colour and style available at the time; or
- b) Provide the customer with a credit up to the value of the original purchase price of the damaged furniture from the retailer or commercial partner of that furniture, for the customer to then re-select a similar product from the retailer or commercial partner within 3 (three) months of receiving the credit.
- c) Refund the cost of the APW, or
- d) Replace the damaged furniture (applicable only to D-AWP).

Where the price of the re-selected product at paragraph b) above is more than the original purchase price of the damaged product, the customer agrees to pay the difference. Where the price of the re-selected product is less than the original purchase price of the damaged product, the customer agrees to forfeit the difference.

- 13. Care Cover Pty Ltd reserves the right to offer the customer a refund of the cost of their APW if the customer is not satisfied with available fabrics or replacement leather (set out in clause 12a), or where the customer has failed to re-select a product within the time period (set out in clause 12b). A refund of the cost of the APW, or the replacement of the item under clause 12 c or d) terminates the APW.
- 14. Care Cover Pty Ltd's liability is limited to a maximum of the actual purchase price of the damaged furniture and if there is a total replacement of the furniture, the replaced furniture becomes the property of Care Cover Pty Ltd. The new furniture is not covered under this Warranty and the APW is therefore deemed concluded. A new APW is required for any replaced furniture and is to be purchased by the customer.
